About

ISGP's Health Center is focused on the studying of natural prevention and cures for a wide variety of diseases. This can involve natural food sources, but also the meridian system, with which this author has a considerable amount of very unique experience. Furthermore, it might well some day involve fitness manuals.

In brief

On this site the reader can find about 100 articles with a total of 1.7 million words, not counting (fully written-out) sources, press reports, membership lists with biographies, and outside work. If the information is reorganized a little, it would be possible to publish it in about twenty 300 page books.
